

Fishing Support Volunteers needed

Headway Birmingham & Solihull is a registered charitable company, affiliated to Headway – the brain injury association. We promote greater understanding of all aspects of brain injury and to provide support, information and services for people with brain injury, their family and carers.

Do you have a passion for fishing and spare time to support others to take part in fishing?

We are looking for volunteer anglers to help out at our pole fishing group ~1 day a week on a Wednesday at Alvechurch Fisheries during the summer months.

Volunteer's duties are flexible to meet your skills and desires. Full training and support given

Varied tasks include:

Assisting our brain injured clients to catch fish.
Helping clients with fishing equipment such as bait, rods and nets.

You need to be:

A keen fisherman/woman
Self-motivated
Reliable and trustworthy
Flexible and co-operative
Patient
Have good communication skills
Enthusiastic and have a sense of humour

Ultimately you will be helping us to provide an enjoyable fishing group for adults with an acquired brain injury.

We urgently need VOLUNTEERS. Please PHONE 0121 457 7541 option 5 or EMAIL personnel@headway-bs.org.uk for more information and to ap
